**EMPLOYMENT OPPORTUNITIES**  
**June 2009**

**LANDSCAPE ASSISTANT**

Due to our expanding workload we have a vacancy for a highly motivated and enthusiastic **Landscape Assistant**. Our office is local and long established.

We provide excellent all-round office experience, and a very wide variety of project types. We are keen to recruit at LMLI grade, but would consider part-time and Year Out candidates.

For a Licentiate Member of the Landscape Institute, this post offers first class professional training, on the Pathway to Chartership (P2C). For a Year Out place it gives an ideal insight into the full range of professional work.

Minimum qualifications are a relevant degree and AutoCAD skills.

Check out our website [www.weddles.co.uk](http://www.weddles.co.uk)

To apply please e-mail to me, sending a CV and examples of drawing work. Please give a contact telephone number/e-mail address.

Applications by end February 2009
